Dear Senior Member of the Class of 2020:

The Delmar Company is delighted to be the official photographer at Westhampton Beach High School. Because of color yearbook deadlines in October, it is necessary to photograph you shortly to insure your place in the *2020* yearbook!

Some notes about your portrait sitting:

We will be taking 4-6 portraits in the traditional (head and shoulders) setting, which is the style that will appear in your yearbook. There is a **\$10.00** sitting fee for this service. Cash or checks made payable to Delmar Studios will be accepted. Caps and Gowns will also be available for portraits in that style for your personal use. This is an optional pose and available to you without an additional charge.

Please come dressed and groomed appropriately. Gentlemen should be clean shaven. Stubble and "five o'clock shadow" **cannot** be removed by retouching. If you are going to have a hair trim, please have it done a few days before your scheduled time. You are **required** to wear a color coordinated shirt, tie **and** jacket or suit.

Women should have their hair neat without loose ends since retouching **cannot** remove loose ends. You will be wearing a deluxe black drape which will have your shoulders exposed. Care should be taken in getting sunburned or tanned since strap lines cannot be removed by conventional retouching. You are requested to wear a tube / halter / spaghetti strap type of top so we can wrap the drapes around you easily.

You will receive the color proofs of your sitting in the mail. From these, you will be able to make your yearbook and portrait order selections. Your proofs will not be retouched, but your final selections will be. A retouched annual print will be provided to the yearbook staff, so we want you to look great for this upcoming sitting!

We have reserved an appointment for you on:

\_\_\_\_\_ at \_\_\_\_\_.

Portraits will be taken in the LGI Room. If you or you parents have any questions, please call our office at 631-736-2205. Delmar and the yearbook staff appreciate your cooperation and support.
