Dear Freshman Students:

On behalf of the administrators, faculty and staff I would like to welcome you to Westhampton Beach High School. I hope everyone is having a restful summer and I would like to take this opportunity to inform you of several items in order to prepare for the beginning of the school year.

Please note that our "Freshman Orientation" will take place on Tuesday, August 27, 2019, from 9:30 a.m. to 12:00 p.m.

At this time, the following information can be accessed by going to our website, [www.whbschools.org](http://www.whbschools.org), clicking on High School, then click on Students, then click on the link you would like information about.

- An explanation of the Board of Education WHBHS Service Graduation Requirement, a list of "Service Opportunities" and a "Service Verification Form" (to be completed as service is done throughout each year of high school)
- The Clubs & Activities Pamphlet

We would like to encourage you to become involved and feel connected to our school. Take time prior to September to think about the type of clubs, sports, and activities you would like to participate in and get involved right away. This will foster a sense of community and lead to a successful career at WHBHS.

The first day of school for students is Wednesday, September 4, 2019. If at any time you need assistance, please feel free to contact me at 288-3800.

Sincerely,

Christopher Herr, Ed.D.  
Principal
